VOLUME 6, NO. 133.

BRAINERD, MINN., WEDNESDAY, NOVEMBER 7, 1906.

PRICE TWO CENTS

## LANDSLIDE FOR GOV. JOHNSON

He is Re-Elected by Over Fifty  
Thousand Votes

REST OF REP. TICKET ELECTED

Republican Victories are General  
Throughout the Country

SPECIAL TO THE DAILY DISPATCH:

St. Paul Nov. 7, 11:55 a. m.—Hughes is elected governor of New York by fifty-two thousand, the balance of the state ticket is probably democratic. Johnson, democrat, elected governor of Minnesota by at least fifty thousand. The balance of the state ticket is probably republican. Eight of the nine republican congressmen are elected. McCleary apparently is defeated in the Second. Republican state tickets in Wisconsin, Iowa, Massachusetts, Nebraska, Indiana, Montana and South Dakota, are elected, North Dakota state ticket is in doubt. Democrats gain a number of seats in congress but republican majority will be more than fifty. Speaker Cannon is elected by the usual majority.

## MAJORITY IN HOUSE

REPUBLICANS WILL HAVE COMPLETE CONTROL OF SIXTIETH CONGRESS.

DEMOCRATS HOLD THE SOUTH

BUT FAIL TO MAKE MATERIAL GAINS IN OTHER PARTS OF THE COUNTRY.

Washington, Nov. 7.—That the Republican party will have complete control of the Sixtieth congress is indicated by the latest election returns. The Democratic party has held the "Solid South," but failed in its efforts to invade to any extent the districts now held by the Republicans in any other section of the country. James W. Wadsworth, a notable Republican figure in congress, was defeated in New York, and the latest returns indicate that J. W. Babcock, who has for several campaigns previous to the last conducted the Republican congressional fight, has been defeated in Wisconsin.

Arizona has refused joint statehood with New Mexico, and the state constitution of Oklahoma will be written by Democrats.

Of the 273 congressional districts heard from, the Democrats have made a net gain of 10. These returns show the Republicans have elected 155 con-

gressmen, the Democrats 118, of which 96 are from the Southern states. No returns have been received from 113 districts. The indications are that the gain of the Democrats will not exceed the same ratio regarding the remaining districts.

At Democratic headquarters here it was stated that the Democratic congressional gains in the East had fulfilled their predictions and that a gain of eighteen or twenty districts had been made. As to the West the returns received by the committee are said to have been too meager to warrant a statement. The only disappointment in the East was the failure of the Democratic candidate for congress in Delaware.

The Democratic gains so far indicated are two in Illinois, two in Missouri, three in Pennsylvania, one in Ohio, one in New York, one in New Jersey and one in North Carolina. The Republicans gain one in Kentucky.

Wadsworth Defeated.

The defeat of Representative James W. Wadsworth in the Thirty-fourth New York district by Peter A. Porter was the first disastrous news to reach Republican headquarters from the East. Mr. Wadsworth, who is chairman of the house committee on agriculture, wired Chairman Sherman that he was beaten.

The Nineteenth and Twenty-third Illinois districts, represented in the present congress by Rieves and Dickson, respectively, were regarded as normally Democratic, and had been marked off for recapture, but the returns indicate that Caldwell and Foster, Democrats, are undoubtedly elected.

In the Fourth Missouri district, Representative Fulkerson, Rep., is defeated by C. N. Booher, Dem. Up to a late hour this was the only gain the Democrats had made in Missouri.

Former Congressman Gilbert M. Hitchcock, Dem., undoubtedly has won

over Representative Kennedy, Rep., in the Second Nebraska district.

The Fifth Ohio district was lost to the Republicans in the defeat of Representative Campbell by T. T. Ansberry, Dem.

The indications are the fight of Samuel Gompers of the American Federation of Labor against Mudd in Maryland was unavailing. Mr. Mudd's election is declared. In the First Maryland district Representative Smith, Dem., was defeated by Former Representative Jackson, Rep. In the Third district Representative Wachter, Rep., will give his seat to Harris B. Wolf, Dem.

Representative Dalzell of Pittsburg, whose struggle for re-election attracted national attention, was assured of his election comparatively early in the evening.

Speaker Joseph G. Cannon of the Eighteenth Illinois district was elected to congress for the seventeenth time by his usual majority, approximately 15,000.

President Roosevelt was decidedly interested and gratified in the returns. He returned from Oyster Bay, where he went to vote, shortly after 6 o'clock. Arrangements had been made to supply the White House with election returns and the president invited Secretary Root, Assistant Secretary Bacon, Secretary Loeb and Assistant District Attorney Cooley to be his guests during the evening.

Republicans Win in Montana.

Helena, Mont., Nov. 7.—Returns from all sections of the state are incomplete, but they indicate the election of Pray, Rep., to congress by probably 15,000. Indications are the Republicans will have a majority in the legislature on joint ballot. Smith, Rep., is elected associate justice by probably 5,000.

Close in New Hampshire.

Concord, N. H., With returns from 147 out of 290 towns, Floyd, Rep., candidate for governor, is 2,000 ahead of Jameson.

NEBRASKA REPUBLICAN.

George L. Sheldon Elected Governor by Small Plurality.

Lincoln, Neb., Nov. 7.—George L. Sheldon, Rep., is elected governor of Nebraska by a plurality of from 10,000 to 16,000 and carries with him probably the entire Republican state ticket.

The Republican state central committee also claims five of the six congressmen and a majority of thirty-seven on joint ballot in the legislature, insuring a Republican successor to United States Senator Millard.

Missouri in Doubt.

St. Louis, Nov. 7.—Secretary McCoy of the Republican state committee claims that Missouri has gone Republican by a small majority. Chairman Evans of the Democratic state committee says Missouri has gone Democratic by at least 18,000 majority.

Republican Ticket Elected.

Cheyenne, Wyo., Nov. 7.—The entire Republican ticket headed by Governor Brooks has been elected by a majority of not less than 2,000. The Republicans also elect the congressman and the legislature, which will elect a United States senator.

No Opposition to Democrats.

Jackson, Miss., Nov. 7.—The election in Mississippi passed off without interest, practically, the vote being light in each of the congressional districts. The Democratic candidates were without opposition.

Republicans Win in Michigan.

Detroit, Nov. 7.—Governor Warner, Rep., has carried the state by a majority of about 20,000. The vote is only about two-thirds that of 1904. All the Republican candidates for congress were elected.

## JOHNSON IS ELECTED

DEMOCRATIC GOVERNOR OF MINNESOTA VICTORIOUS BY A LARGE MAJORITY.

REST OF TICKET REPUBLICAN

ALL BUT ONE OF THE REPUBLICAN CANDIDATES FOR CONGRESS WIN OUT.

St. Paul, Nov. 7.—The indications are that Governor John A. Johnson, Dem., is re-elected by 50,000 plurality and that as later returns are received this plurality will be materially increased. A. L. Cole, Republican candidate for governor, ran far behind the balance of his ticket, the election of which is claimed by from 25,000 to 50,000 plurality. The Democrats, however, maintain that if Johnson's plurality goes above 60,000 he will pull through one or two of the candidates for other state offices.

The landslide for Johnson does not seem to be confined to any locality. The three large cities and the country districts seem to have increased Johnson's vote about the same percentage. The returns on the legislature, which will elect a successor to Senator Knute Nelson, are meager, but indicate that the Republican majority will be considerably reduced.

Eight of the nine members of congress from the state are Republican. There is a close contest in the Second district, where Congressman James T. McCleary is being opposed by W. S. Hammond, the issue being upon tariff reduction. The Democrats claim Hammond's election, but McCleary asserts that he expects to be re-elected by less than 1,000 plurality. J. C. Haynes, Dem., has apparently defeated Mayor Jones, Rep., of Minneapolis.

REPUBLICANS WIN IN OHIO.

Elect Seventeen Out of Twenty-one Congressmen.

Columbus, O., Nov. 7.—Senator Dick, chairman of the state Republican committee, has sent the following telegram to President Roosevelt and to the chairman of the congressional committee:

"Ohio Republican by not less than 75,000 and elects seventeen Republican congressmen, three Democrats, with one district in doubt."

Chairman Garber of the Democratic committee still refuses to concede the election of the Republican ticket by over 25,000.

Figures are yet incomplete, but such returns as have been thus far received indicate a Republican plurality of not less than that secured by Pattison, Dem., last year when he won by 40,000.

Congressman Longworth of Cincinnati, President Roosevelt's son-in-law, has been re-elected.

DEMOCRATIC VICTORY.

Their Candidate for Governor of North Dakota Probably Elected.

Fargo, N. D., Nov. 7.—Indications are that North Dakota has elected John Burke, Dem., for governor and one Democratic member of the state supreme court. It is believed that the balance of the state ticket is Republican. Both Republican congressmen have been re-elected. Chairman L. B. Hanna of the Republican state committee claims the election of the entire ticket with the possible exception of Judge Knauf for the supreme court, but other Republican leaders admit Knauf's defeat and express fear that Charles, for governor, has been defeated. Charles carried his home town by only eleven plurality and lost his county by a big plurality. He was heavily cut in the Missouri slope counties, where he expected to roll up a big plurality.

LIGHT VOTE IN SOUTH DAKOTA.

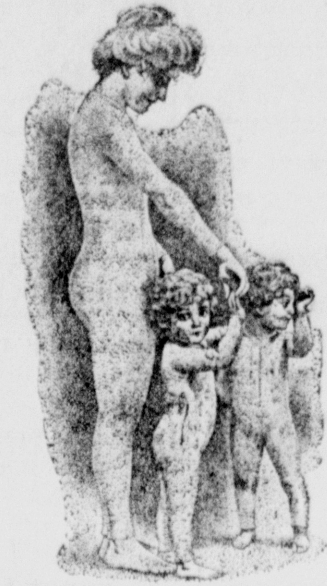

Republicans Carry That State by Fully Twenty-five Thousand.

Sioux Falls, S. D., Nov. 7.—Late reports indicate that owing to the light vote cast in the state the Republicans have carried South Dakota by from 25,000 to 35,000 plurality, a falling off of from 15,000 to 20,000 from the vote of two years ago. Philo Hall and William H. Parker, Republicans, are elected congressmen-at-large. The Republicans will have at least eighty-five out of 133 members of the legislature.

New Jersey Republican.

Trenton, N. J., Nov. 7.—Late returns show that the next legislature will be Republican on joint ballot. This means the election of a Republican as the successor of United States Senator Dryden. The Republicans elected seven congressmen and the Democrats two, with one in doubt.

## DAVIDSON IS ELECTED

## WISCONSIN GOVERNOR WINS OUT BY FORTY THOUSAND OVER AYLWARD.

Milwaukee, Nov. 7.—The Republican state ticket, headed by Governor James O. Davidson, swept the state by an estimated plurality of at least 40,000 over John A. Aylward, the Democratic candidate, and his colleagues. At 10 o'clock returns showed the election of nine Republican and two Democratic congressmen. Congressman Babcock, in the Third district, was defeated after a hard fight by James W. Murphy.

The real contest of general interest in Milwaukee county is over the election of district attorney. Incomplete returns show a very close contest between Frank X. Boden, Rep., and Francis E. McGovern, the present district attorney, who is seeking re-election on an independent ticket. McGovern probably has been elected.

## GILLETT PROBABLY ELECTED.

Returns indicate Republican Victory in California.

San Francisco, Nov. 7.—From meager returns received from various sections of the state Gillett, Rep., for governor, is probably elected by about 10,000 majority, with Bell, Democratic and Union Labor, second and Langdon, Independence league, third. For congress, it is certain that Knowland, Rep., in the Third district, is re-elected; also Kahn, Rep., in the Fifth, and Smith, Rep., and McKinley, Rep., in the Sixth and Second districts, are probably elected. It is very probable that all of the eight California Republican congressmen will be elected. The legislature will be Republican.

## Democrats Win in Arkansas.

Little Rock, Ark., Nov. 7.—The Democratic candidates for congress were elected in every district of Arkansas. The vote was light in all districts except the Fourth, where a hard fight was made.

## C. A. LINDBERGH

### IS ELECTED

Congressional Contest in this District is Quite Close

But

## LINDBERGH APPARENTLY LEADS

The Majorities By Counties as Received by Mr. Lindbergh

The election returns as we go to press indicate the election of C. A. Lindbergh by a majority of 1500 or upward. The first reports looked bad for the republican candidate but later returns assure his election. The following figures show the majorities given in the counties of the district:

	Lindbergh	Tift
Benton.....	500	—
Crow Wing.....	—	—
Cass.....	800	—
Douglas.....	—	—
Hubbard.....	—	—
Morrison.....	622	1400
Meeker.....	—	—
Stearns.....	200	—
Sheburne.....	150	—
Todd.....	500	—
Wright.....	300	—
Wadena.....	—	—

The counties left blank are considered a stand off about, but may give a few votes to either candidate.

## Legislative Ticket

The republican legislative ticket in this district has probably been elected, although the vote is closer than expected. The democratic candidates will probably have four or five hundred majority in Morrison county, but this will be more than offset by majorities for the republican candidates of between six and seven hundred in this county.

## Cured of Bright's Disease

Mr. Robert O. Burke, Elnora, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 50 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's disease." H. P. Dunn & Co. mwf

## Only One Contest in Georgia.

Atlanta, Ga., Nov. 7.—The only election contest in Georgia was in the First congressional district. Edwards, Dem., was elected by a plurality of about 4,000. The three candidates for judges of the newly created court of appeals were unanimously elected.

## Democrats Carry Rhode Island.

Providence, R. I., Nov. 7.—Incomplete returns indicate that Mayor Higgins of Pawtucket, Dem., has carried the state for governor by 6,000.

Household Furnishers  
Cor. 6th and Laurel Streets,

WORK DONE ON  
CUYUNA RANGE

Duluth News Tribune Presents  
Summary of Conditions on  
the Iron Range.

20 DRILLS ARE NOW WORKING

Range is Showing up Large Bod-  
ies of Ore—Some High  
Grade Bessemer.

The Duluth News Tribune publishes  
a long article from a special mining cor-  
respondent concerning the Cuyuna  
range. Among other things the article  
says:

Brainerd, Oct. 31.—The exploratory  
work on the Cuyuna range has assumed  
proportions of considerable magnitude.  
In all there are about 20 drills working.  
Of these the Steel corporation has 10,  
Cuyler Adams 6 and the Chisholm in-  
terests 3.

Some exploring has also been done  
for the Federal Iron company and the  
Zeno Iron company, but at present  
their lands, which are south and east of  
Rabbit lake, are not being proved up.

The Steel corporation is drilling for  
the most part southeast of Brainerd in  
sections 5, 28, 31 and 32 below the south  
range. It is generally understood here  
that no iron has shown up and that the  
drills will soon be taken out. The other  
drills working for them are located in  
sections 29 and 32 on the north range  
and just south of Rabbit lake. Here  
iron of varying quality has been shown  
up, but for the most part it runs about  
50 per cent. in iron and pretty high in  
phosphorus. The corporation has re-  
linquished its option on the lands of  
Cuyler Adams in section 21-46-38, and  
for the time being at least will probably  
abandon the range.

Adams is Largest Owner

The most extensive land holder is  
Cuyler Adams, who owns the south  
range entirely, a stretch of land about  
18 miles in length, reaching from this  
city to a point east of Deerwood. Mr.  
Adams owns his drilling outfits and at  
present is exploring east of Aitkin and  
also at the other end of the iron forma-  
tion, west of Brainerd.

The other drills on the range belong  
either to Cole & McDonald or the Car-  
son Exploration company.

Mr. Adams has leased nine forties to  
the Northern Pacific railroad, five to the  
Shenango Furnace company and eight or  
nine to Pickands, Mather & Co., upon  
all of which mining royalties are now  
being paid.

Vast Deposits of Low Grade.

In general, it can be said of the  
Cuyuna range that there are millions of  
tons of ore already proved up having an  
average iron content of 45 per cent. It  
has also been found that there are a few  
smaller deposits, none of them reaching  
1,000,000 tons, where the iron runs up as  
high as 60 per cent, but in all of these  
ores, with but few exceptions, the phos-  
phorus is so high that use without mix-  
ing would be impossible.

Some of the drill records, however,  
show ore to have been encountered  
which is of excellent Bessemer grade  
and as good as is being shipped from  
several mines in Michigan.

The other bad feature is the great  
quantity of water, especially on the  
north range. This is sure to prove  
troublesome, not only because of the  
accompanying quicksand, but because  
the drilling has shown the rock forma-  
tion to be composed of very soft and  
friable slates and schists that will hold  
practically nothing.

An office boy wanted. Apply at the  
auditor's office, M. & I. Railway, depot

A PLEASANT WEDDING

Rainerd Olson and Miss Alice Walburg  
United in Matrimony Last Satur-  
day Afternoon

One of the pleasantest social affairs  
in the history of Deerwood was the  
wedding of Mr. Rainerd Olson and Miss  
Alice Walburg, which took place at the  
Scandinavian Lutheran church at 4  
o'clock on the afternoon of Saturday  
November 3, 1906. The church was  
handsomely decorated with potted  
plants, evergreens and ferns. The solemn  
words which united the happy couple  
were spoken by Rev. O. Dahle.

The bride, who is one of Deerwood's  
fairest daughters, was becomingly  
gowned in white Mohair, trimmed with  
point lace. She was attended by Misses  
Emily Engblom, of Deerwood, and  
Hulda Forsland, of Ilse, who were  
dressed in white wool trimmed with  
white silk. The bride wore a wreath  
and veil and carried bridal roses, while  
the bridesmaids carried pink carnations.  
The groom was attended by his brother,  
Elmer Olson, and by Frank Walburg, a  
brother of the bride. All wore conven-  
tional black.

After the ceremony the wedding party  
and friends to the number of 75 gath-  
ered at the home of the bride's mother,  
Mrs. G. Walburg, three miles southeast  
of Deerwood where a wedding reception  
was held. A very elaborate and appet-  
izing wedding supper was served and  
the evening was most enjoyably spent  
by all present. Many handsome and  
valuable presents were bestowed on the  
newly married couple as a token of the  
high esteem in which they are held by  
a large circle of friends. The bride has  
been a resident of this vicinity for the  
past nine years and is a favorite in a  
large circle of young people. The groom  
is one of Deerwood's hustling young  
men, being engaged in the livery busi-  
ness with his brother. The newly mar-  
ried couple will go to house keeping in  
the near future in the residence owned

FOR JOHNSON

Entire Republican County Ticket  
Elected Except the  
Sheriff.

Crow Wing county followed the state  
in the landslide for Gov. John A. John-  
son yesterday. He carried the city by a  
vote of 675 to 480 and the rest of the  
county will probably increase his lead  
to at least four hundred in the county.

C. A. Lindbergh carried the city for  
congressman over Tift by 169 votes and  
the indications from outside precincts  
point to a majority of about 500 for him  
in the county.

For auditor J. F. Smart is elected. He  
carried every ward in the city except the  
Second and every precinct so far  
heard from in the county. Mr. McKay  
carried his home ward by a vote of 182  
to 147. The city and eight out of 34  
precincts give Smart 1234 and McKay  
514.

Chas. Krech was elected county com-  
missioner over J. S. Gardner by a large  
majority and Ed Crust was elected in  
the Fourth district without opposition.

HALSTED ELECTED  
FOR MAYOR

Republican Candidate Wins out  
In Warm Three Cornered  
Contest

OLD ALDERMAN RE-ELECTED

Judd Wright Wins out for City  
Treasurer—Thompson De-  
feated in Fourth

Col. A. J. Halsted was elected mayor  
Tuesday in one of the warmest three  
cornered fight in the history of the city  
of Brainerd. Mr. Halsted was opposed  
by A. Ousdahl, public ownership and  
Albert Angel, independent. Mr. Hal-  
sted had 594 to 412 for Mr. Ousdahl and  
327 for Mr. Angel.

Judd Wright won out in four cornered  
contest for city treasurer by a plurality  
of 167 over Rudolph A. Henning.

For municipal judge Clifton A. All-  
bright defeated A. T. Larson by a vote  
of 716 to 559.

The roster of city official elected is as  
follows:

Mayor—A. J. Halsted, republican.  
Treasurer—Judd Wright, republican.  
Municipal Judge—C. A. Allbright, re-  
publican.

Special Municipal Judge—George H.  
Gardner, republican.

Assessor—Wm. Nelson, republican.  
Aldermen First Ward—Fred Drex-  
ler, independent, with Jule Jamieson  
and H. Turcotte tied for other place.

Second Ward—F. A. Farrar, republi-  
can, Chas. D. Johnson, democrat.

Third Ward—T. Twohey, republi-  
can and Geo. I. Bouck, public owner-  
ship.

Fourth Ward—P. G. Fogelstrom, re-  
publican, F. C. Larrison, public owner-  
ship.

ariasen, republicans.

Louis Hohman, Second Ward—J. C.  
Congdon, Third Ward—Thos. Halla-  
day, J. B. Lawrence, Fourth Ward—  
W. W. Hutchins, Fifth Ward—Mons  
Mahlum. All republican except Hutch-  
ins.

Every alderman who was a candidate  
for re-election was elected and P. G.  
Fogelstrom has had experience on the  
council. This will make five expe-  
rienced members and if Jamieson wins in  
the saw off in the First there will be  
six who have been there before.

AMUSEMENTS

Florence Roberts

Those who failed to attend the opera  
house last night to see Miss Florence  
Roberts and company produce "The  
Strength of the Weak" missed the most  
natural, artistic and finished dramatic  
production that has been produced in  
this city for some time, or for that mat-  
ter, any time. The piece was beauti-  
fully staged and finely costumed, and  
the company is strong and so evenly  
balanced that each member seemed an  
added strength to the cast. The speak-  
ing of the lines was so natural and yet  
so strong dramatically that it did not  
seem like a stage production at all, but  
scenes from real life. Miss Roberts cer-  
tainly sustained her claim to stellar  
rank with the small but appreciative  
audience present, who insisted on ex-  
tending her encore after encore. Every  
other member of the cast was entirely  
adequate, the whole making a produc-  
tion that it was an exquisite pleasure to  
see and hear, notwithstanding the grow-  
some but natural finale. Miss Roberts  
certainly established an enviable place  
for herself in the hearts of Brainerd  
theatre goers last night.

King Richard The Third

No play has called forth a greater var-  
iety of opinions than this. It has been  
characterized on the one hand as "the  
grandest conception of human genius"  
and on the other the learned Dr. Johnson  
says "it has no nice discrimination  
of character." Another gifted writer of  
the past says "the play has the power  
to charm and bewitch every audience  
from that time to this"—so the public  
of today may readily see that from the  
time of its first presentation about the  
end of the sixteenth century up to this  
very day—a period of over three hun-  
dred years—it has been a leading sub-  
ject of thought and discussion among  
world's greatest minds, and the greatest  
actors the world has produced within  
that time have gloried in giving per-  
formances of this rugged, forceful,  
dominant and majestic character. It is  
the greatest work of the great Master of  
literature—the immortal Shakespeare—and  
the announcement of its performance  
will interest the best minds of any  
community and attract immense audi-  
ences of scholars, critics and lovers of  
the best theatre can possibly offer.  
The eminent tragedian John Griffith  
has taken it up for his present season's  
tour, and will play in here tomorrow  
night with all the advantages of a su-  
perb company of legitimate artists,  
elaborate scenic equipment, electric ef-  
fects, chemical illusions and all possi-  
ble aids to a perfect performance.

Ladies' Musical Club Recital

The Ladies Musical Club will present  
a trio consisting of the following well  
known artists, Mr. Carlo Fischer, cellist;  
Miss Ella Richards, pianist; Mr. Maxi-  
milian Dick, violinist; on Monday even-  
ing, Nov. 12. The recital will be given  
at the First Congregational church and  
will be the treat of the season.

Carlo Fischer is a musician by inher-  
itance as well as by instinct and at an  
early age showed a decided preference  
and talent for the cello. His first les-  
sons were with Prof. Ernest Lent at  
Washington, D. C., a favorite pupil of  
Klengel's in Leipzig. Later he spent  
eight years abroad studying at Hoch's  
Conservatory, Frankfurt on the Main,  
with Prof. Hugo Becker and Prof.  
Bernh. Cossman, the former Europe's  
leading exponent of the modern school  
of cello playing and the latter of the  
classic school.

Mr. Fischer is at his best in lecture  
recitals for which he is particularly  
adapted by reason of his personality and  
his broad musical education and expe-  
rience.

The number of great violinists is small,  
and among these there are not more  
than five or six who enjoy international  
reputations. One of these, pre-eminent  
among the elect is Maximilian Dick,  
youthful yet a fully matured artist.  
Young Maximilian Dick first toured the  
United States as a prodigy and was ex-  
ploited as such. His success from the  
beginning was decided. He is well  
known from Maine to California and  
from Canada to the Gulf. It is perfect-  
ly safe to assert that no violinist who  
has ever toured the United States has  
won many and such brilliant and sus-  
tained successes as Maximilian Dick has  
achieved. When he first crossed the  
Atlantic he was the boy wonder; when  
he returned he was the developed artist,  
a ripe musician, a master of his instru-  
ment. He is blessed with the artist  
temperament and is magnetic. His  
technic is incomparable and his music-  
ianship is acknowledged. He accom-  
plishes with ease feats which baffle vet-  
erans of the concert stage. He has  
played with unqualified success in  
Europe as well as in America and is an  
international favorite.

Miss Ella Richards, the well known  
pianist, of St. Paul, will accompany  
these artists.

WORK WEAKENS THE KIDNEYS

Doan's Kidney Pills Have Done Great  
Service for People Who Work in  
Brainerd

Most Brainerd people work every day  
in some strained, unnatural position—  
bending constantly over a desk—riding  
on jolting wagons or cars—doing labor-  
ious housework; lifting, reaching or  
pulling, or trying the back in a hun-  
dred and one other ways. All these  
strains tend to wear, weaken and injure  
the kidneys until they fall behind in  
their work of filtering the poisons from  
the blood. Doan's Kidney Pills cure  
sick kidneys, put new strength in bad  
backs—Brainerd cures prove it.

Mrs. Peter Christenson, of 1101 Rose-  
wood St., S. E., Brainerd, Minn., says:  
"It is over two years ago when Mr.  
Christenson was doing heavy contract-  
ing work that kidney complaint made  
its appearance in the form of backache  
and pains over the kidneys. Sometimes  
it caused lameness so bad that it re-  
quired great effort to keep at work, and  
at best there was a continual annoyance.  
Doan's Kidney Pills, sold by H.  
P. Dunn & Co., druggists, were procured  
on the advice of a friend, and the results  
of their use was so satisfactory that  
every symptom of his trouble disappeared.  
The improvement in his condition  
has remained unchanged during the  
time which has elapsed since then."

## VICTORY FOR HUGHES

REPUBLICAN CANDIDATE FOR GOVERNOR OF NEW YORK STATE ELECTED.

HEARST STRONG IN CITIES

BUT THE COUNTRY DISTRICTS PILED UP BIG MAJORITIES AGAINST HIM.

New York, Nov. 7.—According to incomplete returns from all over the state, Charles E. Hughes, the Republican candidate, has been elected governor of New York over William Randolph Hearst, the nominee of the Democratic party and the Independence league, by approximately a plurality of 50,000. Two years ago Governor Higgins was elected on the Republican ticket by 80,560.

There is some doubt expressed as to the fate of the Democratic and Independence league tickets outside of Mr. Hearst, several of the New York newspapers that have been supporting Mr. Hughes declaring that there was a chance that the subordinate officers of the Democratic and Independence league combination had been elected.

The latest figures seem to indicate that Mr. Hughes' plurality above the Bronx will exceed 120,000. To offset this Mr. Hearst's plurality in Greater New York will probably be from 75,000 to 80,000.

In Brooklyn, where Senator Patrick McCarren made a bitter fight against Hearst, the latter carried the borough by a small plurality, probably 4,000. At one time it seemed that Hughes had been successful in Brooklyn, but the late returns all strengthened the Democratic candidate.

Manhattan Supported Hearst.

Mr. Hearst has been given a majority of nearly 70,000 in Manhattan and the Bronx. Queens county, which includes Long Island City, has gone for Hearst by from 6,000 to 8,000 and Richmond (Staten Island) has also given the Democratic candidate a plurality.

As was generally expected, Mr. Hearst showed his greatest strength in the cities throughout the state and took out of the Republican column a number of the most important municipalities which heretofore have been Republican. Among the cities which gave Hearst a plurality were Buffalo, Rochester, Utica, Troy, Elmira, Rome, Little Falls and Johnstown.

All of these except Utica and Rome were Republican two years ago. Mr. Hughes did not gain a single city. The Republican ticket was successful, but sustained serious losses in Syracuse, Gloversville, Amsterdam, Ithaca, Schenectady, Watertown and Plattsburgh.

As a result of the scratching and the voting for the same candidates under different party emblems, the returns for the subordinate officers on the various state tickets are so complicated as not to be available at present.

Great interest centered here in New York in the campaign waged for the judiciary ticket named by a committee of lawyers, headed by Joseph H. Choate and former Judge Alton B. Parker. The Tammany and Independence league joint ticket has won over the nonpartisan candidates by big pluralities.

Grady Defeated Rock.

State Senator Thomas F. Grady of Tammany Hall has been re-elected over Thomas Rock, who has been known in the campaign as "Eight-Hour" Rock and who claimed he had been "tricked" by the Independence league.

Throughout the state there has been a notable falling off in the vote of 1904, which was a presidential year. The Republican ticket showed the greatest loss in this respect, especially in the cities.

In claiming the election of Mr. Hughes by a large plurality Republican State Chairman Woodruff said:

"I knew all along we had lost the labor vote. Every possible thing was done to recover it, but I think without avail."

Mr. Hughes said: "I am very much gratified if I am elected, as now seems to be the case. Whatever my plurality may be my feeling is not of elation but of responsibility."

There were many odd turns to the balloting. Here in New York it was Richmond borough that defeated Mr. Hearst for mayor a year ago and it was Brooklyn, with a big plurality, which helped to make the race so close. Mr. Hearst barely carried Brooklyn this time, but ran ahead in Richmond.

While both the state senate and assembly will be strongly Republican, the Democrats are claiming that they have made gains. The complexion of the New York congressional delegation, it is believed, will undergo but slight change, if any.

Result in North Carolina.

Raleigh, N. C., Nov. 7.—Late returns indicate a Democratic majority in North Carolina of over 40,000. All the congressional districts are Democratic.

All Democrats Elected.

Jacksonville, Fla., Nov. 7.—All the Democratic congressmen of Florida are re-elected and the state ticket carries by a decided majority.

## NO CHANGE IN MASSACHUSETTS.

Republican Governor Again Elected After a Spirited Campaign.

Boston, Nov. 7.—The Republicans after a short but spirited campaign were victors in the state election, Governor Guild being re-elected by a considerably increased plurality over last year, while his opponent, District Attorney John B. Moran of Boston, the candidate of the Democratic and Prohibition party and Independence league, received a somewhat larger vote than that given the Democratic candidate a year ago.

With two-thirds of the state vote tabulated, Mr. Guild's plurality is estimated at about 37,000.

The Republicans re-elected their entire state ticket. The next legislature will be Republican by the usual large majority in both houses and this will insure the re-election of United States Senator W. Murray Crane.

The Massachusetts delegation to congress will remain practically the same.

LITTLE CHANGE IN MARYLAND.

Three Republicans and Three Democrats Elected to Congress.

Baltimore, Nov. 7.—Maryland's delegation in the Sixtieth congress will be three Republicans and three Democrats, proportionately the same as at present, but with a change in two of the districts. Harry B. Wolf, Dem., defeated his Republican opponent, W. W. Johnson, and takes the place of the present incumbent, Frank Wachter, Rep., who declined renomination. The other change was in the First district, where Thomas A. Smith, Dem., was defeated by W. H. Jackson, Rep.

CANNON AGAIN ELECTED.

Speaker of the House Receives His Usual Majority.

Chicago, Nov. 7.—Smulski, the Republican candidate for state treasurer, has defeated Pietrowski, Dem., by a large majority. Congressional returns give the Republicans sixteen congressmen, the Democrats three, with six districts to be heard from. Speaker Cannon has been re-elected by about 15,000 majority, the same as he has had for years.

## CUMMINS VICTORIOUS

PROBABLY RE-ELECTED GOVERNOR

NOR OF IOWA BY TEN THOUSAND PLURALITY.

Des Moines, Ia., Nov. 7.—According to late returns Governor Cummins will be re-elected by a plurality of about 10,000. The first precincts received showed a loss for Cummins of nearly 40 per cent, which, if maintained, would have meant the election of Porter, Dem., by a small plurality. Later returns, however, were more favorable to Cummins.

Iowa will have ten Republicans in its next congressional delegation. It is believed that Major J. F. Lacey, for many years representative of the Sixth district, has been defeated.

In the First district both Republican and Democrats claim a victory.

The next legislature will be safely Republican and will probably re-elect J. P. Dolliver to the United States senate.

Election Without Incident.

Charleston, S. C., Nov. 7.—The election held in South Carolina was without incident and a very small vote was polled. Governor F. M. Ansell and the entire Democratic state ticket was elected. Seven Democratic congressmen were elected, five without opposition.

Win a Sweeping Victory.

New Haven, Conn., Nov. 7.—The Republicans won almost as sweeping a victory in Connecticut as they did two years ago. The entire state ticket, all the five congressmen and almost as many seats in the senate and house as they held at the session of the general assembly were captured by the Republicans.

Delaware Republican.

Wilmington, Del., Nov. 7.—Delaware went Republican by a majority estimated at 2,500. Congressman Hiram R. Burton, Rep., is re-elected over ex-Judge David T. Marvel, Dem. The Republicans will control the next legislature, which will elect a successor to United States Senator Alee, Rep.

Close in Idaho.

Boise, Ida., Nov. 7.—It seems certain that the race in the state will be close. The chairman of the Democratic committee claims the election of a Democratic governor and legislature. The Republican chairman claims that Governor Gooding will be re-elected by 5,000 majority.

Republicans Win in Washington.

Seattle, Wash., Nov. 7.—The severe storm which raged all day kept voters at home. The Republicans elected the four supreme court judges. W. E. Humphrey, W. L. Jones and Francis W. Cushman, Republican congressmen, were returned.

Both Claim Kansas.

Topeka, Kan., Nov. 7.—Both the Democratic and Republican state chairmen claim the election of governor by a plurality of 20,000. All the eight congressmen are Republicans.

Big Majority for Democrats.

Austin, Tex., Nov. 7.—The entire Democratic state ticket was elected by a majority of at least 250,000. All Democratic candidates for congress were elected.

Trust Baking Powders sell for 45 or 50 cents per pound and may be identified by this exorbitant price. They are a menace to public health, as food prepared from them contains large quantities of Rochelle salts, a dangerous cathartic drug.

## NEGRO TROOPS DISMISSED.

President Roosevelt Expels Them From the Army.

Washington, Nov. 7.—Unprecedented in the history of the army of the United States is the action of the president, just announced, in dismissing in disgrace from that army an entire battalion of negro troops because of their failure to disclose the identity of some of their number who had been guilty of violence and murder. As an evidence, however, of his intention to be fair to the negro troops, the president has accompanied this action by an order which may amount to the courtmartial of a white army officer of high grade who was charged with having cast slurs upon the colored troops. The story of both actions is told in official correspondence just made public by the military secretary.

How's This?
